Our Best Interests Duty (BID) Obligations to You

As of the 1st January 2021, the best interests duty (BID) was enshrined into law that requires mortgage brokers to act in the best interests of the consumer when providing credit assistance. BID was largely introduced to improve customer outcomes after recommendations from the Royal Commission into Misconduct in the Banking, Superannuation and Financial Services Industry were made relating to mortgage broking. The law requires us to:

- act in the best interests of the consumer when providing credit assistance;
- give priority to consumers where a conflict of interest is identified when providing credit assistance; and
- not accept conflicted remuneration.

These obligations have largely improved how:

- mortgage brokers gather and document information about a consumers' individual circumstances, requirements & objectives;
- mortgage brokers educate the consumer to make informed decisions;
- mortgage brokers assess relevant products inline with the consumers needs; and
- those options & the recommendation are presented.

Our Responsible Lending Obligations to You

We are obliged to ensure that any loan, or principal increase to a loan, we help you to obtain, or any lease we help you enter, is not unsuitable for you. To decide this, we may need to ask you some questions in order to assess whether the loan or lease is not unsuitable. The law requires us to:

- make reasonable enquiries about your requirements and objectives;
- make reasonable enquiries about your financial situation; and
- take reasonable steps to verify that financial situation.

Credit will be unsuitable for you if, at the time of the assessment, it is likely that the following would apply at the time credit is provided:

- you could not pay or could only pay with substantial hardship; or
- the credit will not meet your requirements or objectives.

For example, if you can only repay by selling your principal place of residence, it is presumed that the loan will cause substantial hardship unless the contrary is proved. For this reason, we must ask you to provide a significant amount of information. It is important that the information you provide is accurate, complete and up to date.

We will provide you with a copy of our preliminary assessment of your application, if you ask within seven years of when we provided assistance to you. This requirement is only triggered if we give you credit assistance.

If we arrange a loan for you to purchase or refinance real estate, remember you must make your own enquiries about the value of the real estate and its potential for future growth. Although we may obtain a valuation, that is for our own use and you should not rely on it.

Our Fees and Charges

Generally, no fees or charges are payable by you to us for our credit assistance. In some instances, a fee for service may be required. Details of these fees will be set out in a Credit Quote.

However, you may be charged a lender's application fee, valuation fees and other fees associated with the loan. These fees are not charged by us and will be disclosed to you prior to submission of the credit application. Please note, however, that if a valuation is conducted and you ultimately choose not to proceed with the loan, you may be liable for the valuation fees.

Commissions

We may receive commissions from the lenders and lessors who provide finance for you as our customers. These fees are not payable by you. You may obtain information relating to reasonable estimates of those commissions and how they are calculated.

When we provide you with credit assistance, you may ask us for a reasonable estimate of the commission likely to be received, directly or indirectly by Vow Financial Pty Ltd and its credit representatives.

From time to time, we may receive financial or non-financial benefits from Vow Financial Pty Ltd, lenders, lessors or others. Some or all of a commission received by Vow Financial Pty Ltd may be paid to our Credit Representatives.
